

Lucan CNS – Parent Teacher Partnership

Welcome to the Lucan CNS – Parent Teacher Partnership. Here is what we've been up to over the last few months !

October:

The new PTP group was appointed at the AGM on 24th October

November:

The first thing on our agenda was to clarify the methods of communication between the parents and the school:-

1. From School to Parents

It was agreed to make better use of the class dojo by each Múinteoir. Any other formal messages from the school will be issued via text or email, which may on occasion include information from the PTP.

2. From the PTP to parents

We re-launched the PTP facebook page. If you would like to join please go to www.facebook.com and search for "LCNS Parent Partnership". We also agreed to issue regular newsletters to keep you up to date with what's happening.

3. From Parent to Parent

WhatsApp groups are another great way of communicating. These groups are set up by parents for parents.

December:

Book Fair - approximately €2,200 of books were sold during the book fair, which means the school will receive books to the value of approximately €1,320.

Food Appeal - we also arranged a food appeal in the run up to Christmas. All donations are to help the less fortunate in our community.

January:

Clothes Collection - are you having a clear out to kick off the new year. Well, we're having a clothes collection. Clothes, towels, sheets, blankets, curtains, bed linen, belts, bags, paired shoes & boots, coats are all accepted. All items should be usable.

Reminder:

The school has a safe parking policy in place and would encourage all parents and guardians to be mindful of this policy during drop-off and pick-up times.

IF YOU HAVE ANY FEEDBACK OR SUGGESTIONS, PLEASE CONTACT ONE OF OUR PTP MEMBERS.....OR GO TO OUR FACEBOOK PAGE @LCNS PARENT PARTNERSHIP
